

Decision-Making Questions

Ethical—administrative judgement items — attempt carefully.

Portion focus ~28% · Topic: csat-decision

PYQ themes: Situation judgement

Why UPSC asks this

Fewer items historically; quality over quantity.

Approach

Identify stakeholders; legality; fairness; feasibility. Eliminate vindictive or rule-breaking options.

Must remember

- Prefer lawful, transparent, citizen-centric options
- Avoid extreme/personal bias choices

Educational prioritisation heuristic — not an official UPSC prediction. © UPSC IAS Study Hub original notes.
