

High-chance portions — csat-decision

Combined original study articles for this topic's highest-probability PYQ themes.

Decision-Making Questions

~28% · Situation judgement

Ethical–administrative judgement items — attempt carefully.

Why UPSC asks this

Fewer items historically; quality over quantity.

Approach

Identify stakeholders; legality; fairness; feasibility. Eliminate vindictive or rule-breaking options.

Must remember

- Prefer lawful, transparent, citizen-centric options
- Avoid extreme/personal bias choices
