

International Organisations & Geopolitics

UN/IFIs, plurilaterals and map-linked geopolitics for Prelims + GS2.

Portion focus ~38% · Topic: ca-intl

PYQ themes: UN/IFI · Summits · Geopolitics

Why UPSC asks this

Static IR architecture + news pegs.

Organisations

Match org -> HQ/mandate/India membership issues. Treaty vs informal grouping.

Geopolitics

Neighbourhood first; Indo-Pacific; energy chokepoints - cross-link geography.

Must remember

- UNGA/UNSC/ICJ/UNHRC roles outline
- IMF vs World Bank vs WTO mandates
- QUAD/SCO/BRICS - purpose one-liners

Educational prioritisation heuristic - not an official UPSC prediction. (c) UPSC IAS Study Hub original notes.
