Why UPSC asks this

Lower count, high surprise - breadth beats depth.

Philosophy

One-line essence of Nyaya, Vaisheshika, Samkhya, Yoga, Mimamsa, Vedanta. Avoid over-subtlety.

Literature

Author - text pairs that recur; religious literature as social history source.

Must remember

- Six astika schools overview; Charvaka/Buddhist/Jaina nastika labels in textbook framing
- Sangam, Sanskrit mahakavya, Bhakti vernaculars

Educational prioritisation heuristic - not an official UPSC prediction. (c) UPSC IAS Study Hub original notes.
