

Internal Security: Extremism, Border & Cyber

Extremism, border management, cyber and organised crime themes.

Portion focus ~36% · Topic: [gs3-sec-internal](#)

PYQ themes: [LWE/terrorism](#) · [Border management](#) · [Cyber](#)

Why UPSC asks this

Regular GS3 security themes.

Threat lattice

Terrorism, LWE, organised crime - terror nexus, money trails.

Responses

Legal frameworks outline; cooperative federalism in policing; tech governance.

Must remember

- Causes - capacity - coordination framework
- Coastal/border tech + community policing
- Cyber: CERT-In awareness, critical infra

Educational prioritisation heuristic - not an official UPSC prediction. (c) UPSC IAS Study Hub original notes.
