

High-chance portions — csat-decision

Combined original study articles for this topic's highest-probability PYQ themes (deep edition).

Decision-Making Questions

~28% · Situation judgement

Why UPSC asks this

Fewer items historically; quality over quantity.

Approach

Identify stakeholders; legality; fairness; feasibility. Eliminate vindictive or rule-breaking options.

Must remember

- Prefer lawful, transparent, citizen-centric options
- Avoid extreme/personal bias choices

Educational prioritisation heuristic — not an official UPSC prediction. © UPSC IAS Study Hub original notes.
