

High-chance portions — csat-logic

Combined original study articles for this topic's highest-probability PYQ themes (deep edition).

Logical Reasoning Patterns

~48% · Syllogism · Puzzles · Critical reasoning

Why UPSC asks this

Structurally unavoidable in Paper II.

Pattern drill

Maintain error log by pattern. Learn when to abandon a set.

Critical reasoning

Strengthen/weaken; assumption; inference — map to RC logic.

Must remember

- Venn discipline for syllogisms
- Do not assume unstated facts
- Skip time-sink puzzles early

Educational prioritisation heuristic — not an official UPSC prediction. © UPSC IAS Study Hub original notes.
