

CSAT Comprehension Strategy

Accuracy-first reading approach for the largest CSAT block.

Portion focus ~50% · Topic: [csat-reading](#)

PYQ themes: RC accuracy · Inference vs fact

Why UPSC asks this

Comprehension drives qualifying margin every year.

Method

Preview question stems; read actively for structure; mark line references mentally; distrust outside knowledge.

Traps

Half-right options; scope shifts; absolute words. Practice timed sets weekly.

Must remember

- Answer only from passage
- Eliminate extreme options
- 33% qualifying — attempt smart

Educational prioritisation heuristic — not an official UPSC prediction. © UPSC IAS Study Hub original notes.
