

Growth, Agriculture & Infrastructure (GS3)

Inclusive growth, agri reforms and infra financing — largest GS3 economy block.

Portion focus ~48% · Topic: [gs3-econ-growth](#)

PYQ themes: Inclusive growth · Agriculture · Infrastructure

Why UPSC asks this

Largest GS3 economy share.

Growth

Employment elasticity, inequality, formalisation, manufacturing share debates.

Agri & infra

Value chains, logistics, energy/transport digital infra.

Must remember

- Growth vs development indicators
- Agri: productivity, markets, climate stress
- Infra: multiplier + financing (PPP, NIP ideas)

Educational prioritisation heuristic — not an official UPSC prediction. © UPSC IAS Study Hub original notes.
