Core map of national schemes and institutions in news

Static spine first: Know ministry/act/body before scheme spam. Scheme anatomy: Objective, beneficiary, implementing ministry, funding pattern.

Avoid 100-scheme lists: 20 high-salience with anatomy beats 100 names. Constitutional bodies: Already in polity - CA only overlays personnel/events.

Hold this core map as your elimination spine before memorising peripheral CA overlays.

Core concepts and definitions

Statutory regulators: RBI/SEBI/TRAI etc. purpose one-liners. Think tanks/reports: NITI, surveys - match report -> theme.

Indices: HDI/MPI/hunger - know publisher caution. Budget announcements: Many are branding; extract mechanism.

Institutions, processes and mechanisms

Centrally sponsored vs central sector: Funding discriminator. DBT logic: Targeting and leakage narrative.

Social sector umbrellas: Health/education/livelihood families. Infrastructure umbrellas: Roads/ports/digital public goods.

India angle and applied examples

Agriculture schemes: MSP/insurance/irrigation - concept first. Women/child schemes: Recurring social sector.

Institution creation news: New body? Know parent law/cabinet status. Merger/renames: Classic trap area.

Comparisons, linkages and discriminators

International indices CA: Verify year/publisher. State schemes rarely: Unless nationalised narrative.

Revision window: Last 18 months + evergreen institutions. Link to static: Every CA bullet needs a static hook.

India angle

Build a rolling Notion/notebook of 30 cards max; prune monthly.

Question patterns and exam spine

Matching lists and statements on national schemes and institutions in news.

Revision spine: Definitions -> table -> India -> traps.

Eliminate anachronisms and category errors first, then test remaining options against table rows and must-remember triggers.

Trap watch-list (specific)

Avoid: Memorising only scheme names without objectives. Avoid: Calling statutory bodies constitutional. Avoid: Outdated ministry ownership. Avoid: Index publisher mix-ups.
